

Gary Gale

A self-professed map addict, Gary has worked in the mapping and location space for over 20 years through a combination of luck and occasional good judgement. He is co-founder and director of Malstow Geospatial, a consultancy firm offering bespoke consulting and services in the geospatial, geotechnology, maps and location based services fields. This means Gary is currently consulting as Head of APIs for the [Ordnance Survey](#), the United Kingdom's national mapping agency. A Fellow of the [RGS](#), he [tweets](#) about maps, [writes](#) about them and even [makes](#) them.
